

## Adding Levels Arrows Code Comments

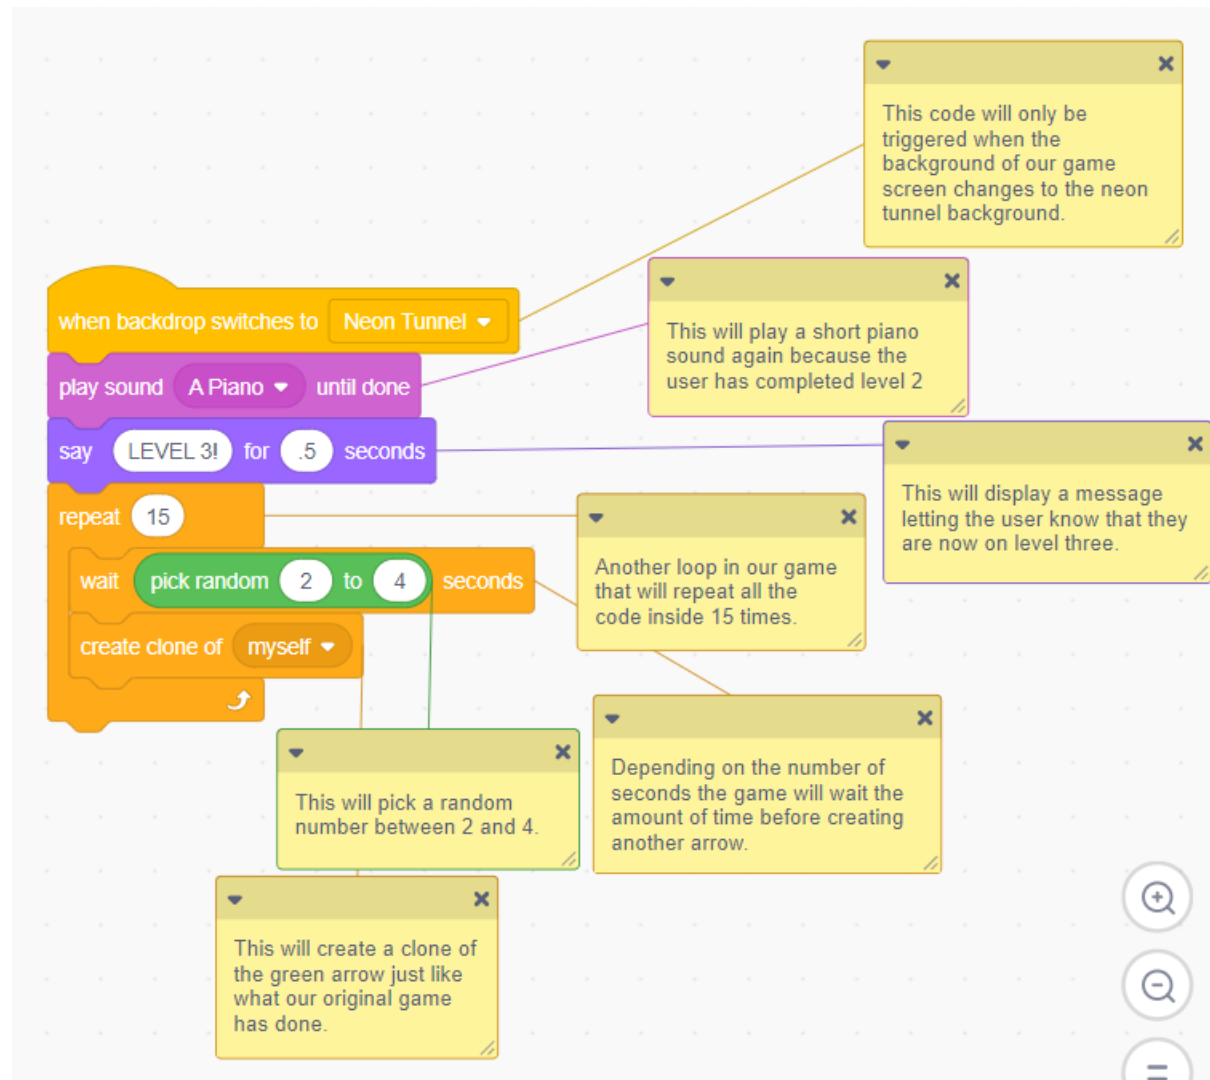

This is a snippet of the green arrows complete code along with comments. As the rest of the arrows code is like that of the green arrows you may use this picture to help you understand the rest of the code.

Each arrow will have a different piano sound, so they will vary depending on the arrow you have.

For users who have added a level 3. Here is a code snippet of the coding block made for the creation of level 3 in the LightUp game. The number used in your game may be different depending on how you made your game.

## Stage Code Comments
